EXPERIENCE

SUPERVISING PRODUCER & SHOW RUNNER TEAM LIQUID

• 2020 - NOW

The world's most winning Esports organization produces oodles of media. For ourselves and our partners we run the gamut of live, VoD, digital, social, linear, white label, and in-person events production.

I'm responsible for managing North American and European production staff while interfacing with sponsors and white label clients. I participate in all facets of the production process: Ideation, writing, directing, staffing, post, and accounting.

- Clients: Honda, Riot, Dell, Coinbase, Epic, Twitch, Jersey Mikes, Monster, SAP
- Over 30 linear and digital commercial spots for partners
- Over 12 nominations via Esports Awards
- Organized DEI campaigns for Dell/Alienware

SUPERVISING PRODUCER

• 2016 - 2019

ATTACK MEDIA

Specialists in both live and linear broadcasting, we created the first ever cable network show to be filmed live on Twitch.

I developed, produced, and supervised two cable shows for Disney -- working directly with their internal network producers. Additionally, produced over 400 live broadcasts spanning podcasts, comedy variety, let's play, charity events, and Amazon sponsored press events.

- 96 Episodes "Player Select" produced for Disney
- 12 Episodes "The Attack" produced for Disney
- 400+ Live Twitch.tv variety show broadcasts

BRANDED PRODUCER

• 2018 - 2019

IGN ENTERTAINMENT

My role at IGN saw me producing high level branded content for O&O platforms, and live events. Here I was responsible for developing and show running episodic branded series featuring AAA talent. Further, we produced in-person branded events for conventions that were also simulcasted live online.

- Show Runner: Kellogg's x Fortnite - Streamer Showdown
- Show Runner: Alienware x IGN: Live @ Twitchcon
